09. The dosha of Mars and other planets get neutralised or minimised according to the sign they occupied – exalted, friendly, own, inimical etc. therefore we should use table for an assessment of the total dosha. It has been said that if the dosha in the male horoscope exceeds by 25% from the girl horoscope, it is passable. But if the female has more dosha, then the charts cannot be matched.

Check position of Janam Rasis ( rasi where Moon is located) of each horoscope

If they are located in 2/12 , 6/8 , 5/9 it is malefic and no point is given.

In other cases full 7 poits should be given.

Other points can be check:-

1. If both have same Janam Rasi it is benefic provided both are in different nakshatras. If they are in same nakshatras they should not be in same *charnas*.

2. 2/12 position should be avoided as it give bad financial position. Where bride is second from boy it is malefic. In 12 from boy it is not considered malefic.

3. For rasis Taurus Gemini, 2,3 - Cancer Leo 4,5, - Virgo Libra 6,7 - , Scorpio Sagittarius 8,9,- Capricorn Aquarius 10, 11 - Pisces , Aries 12, 1, 2/12 position not bad as rasi lord are friends.

If Girl's rasi is 5<sup>th</sup> from Boy it is bad as may give children problems but 1/9 is not so bad.

6/ 8 position is called *Shad Ashtak* and is bad as rasi lords are enemies , but if like in Aries Scorpio , In Gemini / Capricorn, Cancer / Aquarius , rasi lords are friends or

same position is not so bad. 6/8 position causes disease and death.

1 / 7 position is good and gets 7 points.

Except in Cancer / Capricorn , Leo and Aquarius

Malefic Bhakkoota lose maleficience if

1. Rasi lords are friends.
2. Proper Nadi has been matched.
3. Navamsa's lords are friends.

5. Vashya and nadi matching is present.

**8. Nadi : Matching:-** it shows Physiological, hereditaty factore

There are three Nadis ,1. Aadi (windy) 2. Madhya (pitta) and 3. Antya ( phlegmatic)

i)Aadi Nadi has nakshatras Ashvini, Ardra, Punarvasu , U Phalguni, Hasta , Jyeshtha, Moola, Satabhisha, Poorva Bhadrapad

ii)Madhya Nadi : Nakshatras are Bharni, Mrigsira, Pushya, P Phalguni, Chitra, Anuradha, Poorvaashada, Dhanishta , Uttarabhadrapad.

iii)Antya Nadi has nakshatras Krittika, Rohini, Ashlesha, Magha, Swati, Vishakha, Uttar ashadha, Shravan and Revati.

Boy and girl should not belong to same Nadi . If they belong to different Nadis give 8 points.

If bride belongs to Bharni nakshatra and boy belongs to Chitra nakshatra it is same nadi and is called Nadi dosha  
Exceptions : If boy and girl have same Janam Rasi but different nakshatra there is no nadi dosha . Example both have their Moon in Gemini, one is born in Ardra nakshatra but other is born in Punarvasu nakshatra, hence there is no nadi *dosha*.

In case both are born in same nakshatra but different rasi , still there is no *nadi dosha* For example both are born in Krittika nakshatra , but one is born in Aries rasi and other in Taurus –hence there is no nadi dosha. Krittika , one in Aries other in Taurus no dosha

111) Both may be born in same nakshatra but in different *charnas* even then there is no nadi dosha. Boy's nakshatra immediately after girl's nakshatra is considered inauspicious , For example boy's nakshatra is Pushya whereas girl's nakshatra is Punarvasu.

	Aadi	Madhya	Antya
Aadi	0	8	8
Madhya	8	0	8
Antya	8	8	0

**Note:-** It has been said that Brahmins should check Nadi Dosha, Kashatryas should check Varna Dosha, Vaishya should check Guna Dosha and Shudras should YONI Dosha in couples horoscopes..

Again this matching is not enough as said before also, we should check the following points before the matching:-

- 1 One should see longevity of both from their individual charts
1. See also Longevity from each other chart . Any combination for widowhood in one's chart must have a similar combination in other chart which will cancel out the *dosha*
2. Examine in both the horoscopes houses 2, 4, 5, 7 and 12 house for happiness of married life.

3. Dasha in both charts are important and must be analyzed.
4. Kootas should be analyzed in the end only...
5. Match the house wise *dosha* . If Mars is in the 7<sup>th</sup> house of a horoscope, it is important that it should be in the 7<sup>th</sup> in other horoscope also.

**Mutual Attraction:-** Rashi wise:-

01. It has been said that if Lagna sign of girl would be the 7<sup>th</sup> sign of boy then it will be good matching.
02. If Lagna sign of the girl would be the exalted sign of the 7<sup>th</sup> house lord then would be good matching.
03. If Lagna sign of the girl would be the debilitated sign of the 7<sup>th</sup> house lord then would be good matching.
04. It has been said that if Lagna sign of girl would be the same sign, where Venus of boy is place in the sign then it would be good matching.
05. It has been said that if Lagna sign of girl would be the same sign, where 7<sup>th</sup> lord of boy is place in the sign then it would be good matching.
06. It has been said that if Lagna sign of girl would be the 7<sup>th</sup> sign from boy's Moon sign then it would be good matching.
07. If Moon sign of the boy would be the Lagna sign of the girl.
08. The Dwadasam Sign of Moon can be girl Lagna
09. The navamsa sign of 7<sup>th</sup> lord can be girl Lagna
10. A sign that have more bindu in Moon BAV of the boy.
11. Add up the longitudes of Lagna lord & Venus & find out the constellation, that can be constellation of girl.
12. Add up the longitudes of Lagna lord & 7<sup>th</sup> lord & find out the constellation, that can be constellation of girl.
13. Note:- Avoid the signs of the 6<sup>th</sup>, 8<sup>th</sup> & 12<sup>th</sup> house of boy as a Lagna of girl.
14.
