

## **The Lucifer Principle**

By Rev. Frederick Nagash

Lucifer's number is nine, nine being the number of pride as any number nine is multiplied into returns to itself. (Example:  $9 \times 5 = 45 - 4 + 5 = 9$ ) Lucifer also being known as the "Angel of pride". This represents being proud of all things we do!

Lucifer's color is blue, blue being the color of the sky and water representing that Lucifer is all around and within us. That Lucifer is the prime element/energy that motivates and cultivates our world. Other colors Lucifer is associated with are white and silver, so accordingly altar pentagrams must be surrounded by blue with a silver/white pentagram with a black border (Shown on page ).

Lucifer's element is air, air being that which allows us to speak his words of truth as his manifestation on Earth.

Lucifer's direction is the east, east being where a lot of the sacred wisdom and the great wars will come from. It was once stated to me by a Germanic Luciferian that "a wise Magickian from Persia an Arab will come and bring with him the aeon of Lucifer" or in lay-mans terms the Antichrist.

Lucifer's human element is wisdom or applied knowledge, with time, study and practice it is believed that man can attain the Lucifer state, this only through applied knowledge or wisdom.

Lucifer's altar element is incense, incense being a representation of air, known to Luciferians as "sweet air".

Lucifer's planetary element is Venus, Lucifer being known as the morning star or first star of morning, otherwise known as Venus. Venus, known as the "Planet of love" represents the beauty of Lux Ferre (Latin for light bearer/bringer or Lucifer).

Lucifer's consort/Female aspect is Lilith, Lilith being the first wife of Adam before becoming the queen of the damned. It is said Lilith comes from the mud and the dust and is queen of the Succubi/Luciferic Witch. When Lucifer and Lilith mate they equal the androgynous being known as "Baphomet" or the "Goat of Mendes" also called "God of the Witches". Liliths number is two, also known as the number of the eternal female. Lilith is considered an equal to Lucifer to some, and the feminine aspect of Lucifer himself to others.

Lucifer's highest manifestation is through understanding of oneself, this being the goal of the Magickian/Luciferian to begin with, being as Lucifer himself, total awakening of the human god-form Lucifer. Without knowing the self one cannot

hope to achieve any real understanding of anything else. Applied knowledge in action is a prime example of Lucifer's manifestation!
